

## THE ULTIMATE 4WD ADVENTURE 2019 - Check List

### **Camping Gear**

Tent (pop-up tents works best)

Sleeping Bag

Pillow

Gas stove + camping kettle

Braai Grid (folding grid works best)

All cutlery including paper plates as this is easier.

**PLEASE BRING ENOUGH BLACK BAGS FOR CLEANING UP PURPOSES**

### **Food and Drinks**

Sufficient food for 4 full days but packing 1-2 days extra is highly recommended in case of emergency situation

Breakfast is short so coffee and snack will be ideal.

Lunch is about an hour per day so plan accordingly

Snacks for the in between works well (biltong / chips etc..)

All drinks from morning to night (mountain water streams are drinkable to 4

**Wood and Charcoal is always a great idea AND MOST WELCOME**

### **Clothing**

Gumboots is a good allrounder

You can accommodate for spring weather during day however it will most likely reach low to minus degrees @ night up in the mountains!

All weather jackets / clothing works well

Rain Jacket in case of rainy days.

Enough wetwipes for bathing purposes

**WE WILL BE BATHING IN THE RIVERS UP IN THE MOUNTAINS SO PLEASE BRING ORGANIC SOAP & SHAMPOO FOR MOTHER NATURE.**

1 -2 Fire extinguisher's

Heavy duty gloves for recovery purposes

Recovery ropes including snatch strap

Tree Trunk

Heavy Duty Shackles

Shuffle (fold up works best)

VHF or a channel Radio

## **Tools and Spares**

Each vehicle should have their own tools on-board

Spare parts should be brought along but remember that weight is an issue.

Please bring extra petrol in gerry cans **(PLEASE MAKE SURE THEY DON'T LEAK AS THIS IS CRITICAL TO OUR SUPPORT VEHICLE SAFETY)**

There will be support vehicles on the trip to help carry spare parts and petrol

Extra fluids & oils for your Rig (Antifreeze / Diff / engine / gearbox oils etc..)

## **REMEMBER YOU HAVE TO BE 100 % SELF SUFFICIENT FOR THESE 5 DAYS**

If you need anything additional to the above please pack it in.

NB: Pack as light as possible, Bring everything you need and nothing you don't
